Sacramento, CA 95834

(217) 377-7697

Seeking opportunities to merge my eleven plus years of experience in the healthcare field with my passion for software development. As a Full-Stack Developer I am looking for growth within the fields of emerging technology and data science. Comfortable with working in fast paced and high stress environments with a focus on efficiency and attention to detail. Confident in ability to clearly convey information efficiently and work on a team of any size.

*Authorized to work in the US for any employer*

## WORK EXPERIENCE

### **Registered Behavioral Technician (RBT)**

**Maxim Healthcare Services** - Sacramento, CA ... October 2019 to August 2020

Provided direct ABA therapy to children with autism. Worked in multiple environments; including homes and in schools. Responsible for implementation of the plan of care and a strong relationship with families involved.

### **Registered Behavioral Technician (RBT)**

**Intercare Therapy Inc.** - Sacramento, CA ... June 2019 to October 2019

Provided direct ABA therapy to children with autism. Worked in multiple environments; including homes and in community settings. Responsible for implementation of the plan of care and a strong relationship with families involved.

### **Behavior Technician**

**Comprehensive Early Autism Services** - Chicago, IL ... May 2018 to May 2019

Provided direct ABA therapy to children with autism. Worked in multiple environments; including homes and in schools. Responsible for implementation of the plan of care and a strong relationship with families involved.

### **Undergraduate Research Assistant**

**Language Acquisition Lab at the University of Illinois, Urbana-Champaign** - Urbana, IL ... June 2016 to May 2017

Helped to design materials for experiments. Tested toddlers, preschoolers, and adults in experiments. Responsible for transcription, coding of children's speech, and coding visual fixations from videotapes.

### **Licensed Practical Nurse**
